RULES:

Two 18 min periods. 3 min intermission. 1 time out per half! No carryovers!

Score goes by 2's and 3's. Free throws only when in the act of shooting.

All fouls called on the ground are checked at the top. Call your own fouls!

Clock stops under 1 minute in 2nd half; fouls are 1 and 1.

Overtime is 1 minute. Clock will stop on fouls and out of bounds.

Wrap Up Rule: Anytime a defender intentionally wraps up the offensive player in the 1st or 2nd half to stop the game it will be an automatic 2 or 3 points for the offense and be the other teams ball.

Only time this rule does not apply is anytime under 1 minute of 2nd half a team may foul to stop the clock. You will shoot 1 and 1 or 2 shots if you were in act of shooting. We created this rule so people can't bear hug a guy and keep them from scoring!

Be on time and ready to play as soon as the other game is over! We have to stay on schedule with 8 teams.
