MARCH 31, APRIL 1, 7, 8 (Tues and Wed)

MORE APRIL AND MAY TBD @ LATER DATE

Registration forms available @ www.cityofcresco.com

Water Safety and Lesson Retention = Parents Responsibility

- **Children progress faster through lessons** with practice.
- Continuing lessons throughout the year is best as well as having your children exposed to the water.
- **Swimming is a skill that takes practice**, and if you don't require children to go to the pool and practice throughout the year they are probably going to be starting all over.
- Children with parents who show enjoyment for the water tend to learn faster than those who don't.
- Going to the pool and playing with your child under **safe, supervised conditions** is one of the best ways to help your child be successful in swimming lessons.

WHAT IS CONSIDERED SAFE, SUPERVISED CONDITIONS

There is NEVER a guarantee that there won't be a drowning accident. No one is "drown-proof!" Most drowning's occurred in swimming pools and is the second leading cause of unintentional deaths of children age 14 and under. Recent research shows that 88% of children who drown were under adult supervision and that parents are overconfident about their children's safety and abilities around water. Because drowning can occur silently and in a matter of seconds, at least 1 parent should always be completely focused.

Here are some tips:

- Practice "touch supervision" & keep children within an arm's reach
- Enroll child in swimming lessons & support swimming year-round
- Remember that inflatable swimming aids do **NOT** prevent drowning
- Be **DIRECTLY** in the water with your children: do not read books, talk on cell phones, etc.
- **Show by example, that the whole family enjoys and uses the water.**

SWIMMING POOL ACCIDENTS ARE USUALLY PREVENTABLE, SO PARENTS NEED TO BE ON GUARD AT ALL TIMES TO HELP PREVENT ANYTHING BAD FROM HAPPENING.

CRESCO FITNESS CENTER & THOMSON POOL 2019-20

OTHER FUN ACTIVITIES THROUGHOUT THE FALL, WINTER AND SPRING SEASONS

MEN'S BASKETBALL LEAGUE: Wednesday nights November - March.

CO-ED VOLLEYBALL LEAGUE: Thursday nights with pick-up games/league (usually January – March).

FITNESS EQUIPMENT ORIENTATION: A 20-minute orientation is recommended before using the equipment, especially new 7th graders. Appointments are made at the front desk. All children 6th grade and younger are **not** allowed in and/or around the fitness equipment (on the black mat area).

AEROBICS CLASSES: \$3.00 to \$6.00 per class - See current schedule

- **FLOOR AEROBICS:** Multiple classes offered at various times of the year for low-moderate intensity aerobics, toning, and stress relief. May include but not limited to Pilates, Body 360, Boot Camp and Aerobic Dance.
- **WATER AEROBICS:** This is a great way to work out without added stress to your joints. You don't have to know how to swim to participate. You must be in 7th grade or older to participate. Come and enjoy the fun!
