Park & Rec Board Meeting Minutes 10/8/2014
Call to Order: 10/8/2014 6:30 pm

Roll Call- Members present: Michelle Tuchek, Jeff Blythe, Scott Wiley, Keith Anderlik, Barbie Tupy
Others present- Bill Caffrey, Rick McCarville

A motion to accept the September minutes was made by Wiley, second by Anderlik. All yes.

A motion to accept the Expenditures was made by Blythe, second by Tupy. All yes.

Annual Council Report: Bill presented the annual budget report to the City Council. It was brought up to trade lawn mowers in the 2017 fiscal year. Inquiries were made as to the cleanliness of Kessel Lodge when rented out. Bill and Rick both state that there have been very few problems after rentals. The 2015 budget will begin to be prepared in November.

Parks:

Projects: ~Bean bags- All 3 have been cemented. Bag boards will be in place for spring of 2015.
We need to consider replacing the east and west sidewalks at Kessel Park as well as the cement around the bathrooms at East Park.

Train: A group met at Beadle Park to discuss updates that may need to be made on the train and tracks. No one from the Park Board was able to be there but Rick and Bill did attend. It was discussed that the engine will need some work, one box may need to be moved, the tracks need some work done, and parts of the train need to be resurfaced. Mehmert's would possibly be willing to haul the box that may be removed for free. It was mentioned that Adam Schatz may be someone to contact about repairing the train. Options for resurfacing will be researched as there has been no one found yet to work on this. Some areas may be able to be painted over but other areas will need new steel. The possibility of using fiberglass was also considered.

The problem of kids staying at Kessel Lodge parking lot too late, making too much noise, and leaving a mess was addressed again. The problem seems to be improving as the kids are starting to leave the park around 11:00.

Recreation:

Fall Programs: There was a problem this year of having enough teams in our district for youth football. Teams are complaining about playing too many teams from the same towns.

Boys & Girls Basketball: Program will start Nov. 24th.

Basketball Tournaments: Dates are yet to be set up for our youth tournaments this season

Fitness Center:

Hours: A motion was made by Anderlik to change the summer closing time from Memorial Day through Halloween for Fridays at 7:00 pm and Saturdays at 4:00 pm starting in 2015, as well as closing the pool at 8:00 pm Monday-Friday beginning November 1, 2014. Second by Tuchek. All yes.
We need to consider resurfacing the spa as this has not been done since the pool was built.

- Scott informed every one of the after hour activities that has been occurring at Kessel Lodge. Students and young adults have been loud, disturbing the surrounding residential area, also littering with cans or bottles and moving the tables against the doors and siding. He has been in contact with the Police Dept. along with alerting Bill & Rick and since then they have put up a sign with park hours in the Lodge parking lot. It would be nice if the parks could be checked by the police just after 11:00 pm closing for a while to try and avert a continuous problem.
- Rick will be meeting with John Mullen at 1:00pm, Tuesday Sept 16th, about the Beadle Park Train. Michele and Scott will also attend, with Barbie as backup if either has work conflicts.
