MINUTES OF THE BOARD OF ADJUSTMENT

Chairperson Henderson called the Cresco Board of Adjustment meeting to order on September 11, 2018, at 7:00 p.m. at City Hall. Board Members Henderson, Svestka, Balk and Holten were present. Dohlman-Govern was absent.

There were three guests present, Daryl and Linda Miller and Aaron Wemark. Holten made the motion to approve the agenda. Svestka seconded and it passed all ayes. Svestka made the motion to approve the minutes from August 28, 2018. Balk seconded and it passed all ayes.

The Chairman of the Board presented for filing the proof of publication and of mailing of the notice for the variance, the drawing of the area proposed for variance and the application for variance. There were written concerns presented by Daryl and Linda Miller. There were no oral objections.

Discussion was held regarding the proposed variance requested by The City of Cresco for the construction of a home on the property at 423 S Elm, Cresco. The board had discussion regarding the Millers concerns. One concern was that the property would retain an address on S Elm St. this would ensure that the rear property line would face Millers property. By retaining a S Elm address the setback adjacent to Millers would remain at 30'. The board agreed to that. The second concern related to water runoff from the property. The Millers requested that water runoff from the property be directed to the south and west. Mr. Wemark, the potential contractor for the project suggested running tile line to all of the down spouts on the proposed structure and tie into a storm sewer. The Millers were satisfied with that plan and had no more objections to the project. Svestka made the motion to approve the variance requested. Holten seconded it and it passed all ayes.

WHEREAS, an application for variance was filed with the board, and,
WHEREAS, in accordance with the provisions of the Zoning Ordinance of the City of Cresco, Iowa, notice of hearing was given and proof of said notice of hearing, in accordance with said statute is now on file herein, and this Board having jurisdiction of the subject matter and jurisdiction of the property and parties concerned, finds that the variance should be granted as requested in said application:

NOW, THEREFORE, BE IT RESOLVED, that a variance is hereby granted to The City of Cresco to build a single family home on the property line 4 feet from the south property line on the following described real estate:

S50' LOTS 14, 15 & 16 BLK 3 BEADLES ADDN
