Bouska made the motion to approve the Resolution Adopting Plans, Specifications, Form of Contract and Estimate of Cost for the Downtown Crosswalk Reconstruction. McConnell seconded and it passed all ayes.

Scott Huneke from WHKS reported that one bid was received for the Downtown Crosswalk Reconstruction from Wicks Construction of Decorah, Iowa for \$1,152,623.36. The bid was significantly higher than the estimated cost of \$711,850 mainly due to the cost of concrete. The Engineer's recommendation was to award the contract to Wicks. There will be a change order for a few items that City staff can complete. Due to the increase in cost, we

can still change our bonding amount if needed. Bouska preferred to delay awarding the contract until May 1, 2023 after receiving the bids for the 7<sup>th</sup> Street West Reconstruction. By delaying the decision, the contractor is not able to proceed, which will push the project back. McConnell made the motion to approve the Resolution Making Award of Contract for the Downtown Crosswalk Reconstruction to Wicks Construction for \$1,152,623.36. Carman seconded. McConnell, Fortune, Carman, and Kriener voted aye. Bouska voted nay. The motion passed by majority vote.

Rate increases for water and sewer were discussed after additional information was presented for the impact on revenues and upcoming projects. City Clerk Elton recommended a 5% increase for water and sewer rates instead of 4% for water and 6% for sewer. The sewer rate increase for Industrial Agreement users will be 8%. Council agreed that an increase is required due to increasing operating costs as well as costly projects and equipment that will be needed in the next few years. Carman and Bouska recommended proceeding with 5% water and sewer rate increases and 8% for Industrial Agreement users and the rest of the council agreed.

The Cresco City Council held a special meeting with the Howard County Supervisors on April 24, 2023, at 4:00 pm at the Howard County Courthouse. Council Members Carman, Bouska, Fortune, McConnell, and Kriener were present. No council members were absent. All three County Supervisors Pisney, Murray, and Eastman were present. Others in attendance included Mayor Brenno, Police Chief Ruroden, Sheriff Beckman, Jail Administrator Bauer, County Auditor Chapman, Deputy Clerk Hill, and City Clerk Elton,

The joint meeting was held to discuss proposed legislative changes that will affect the County and the City budgets. Proposed changes could have drastic impacts on the property tax revenues that both entities receive in the future. Law enforcement is the largest expense in both general fund budgets. This meeting was called to look at options for the City and County to work together to cut costs or to increase revenues.

Everyone was asked to come up with suggestions for working together on reducing costs or increasing revenue for the Sheriff's Department and the City Police Department as well as any other opportunities for the County and City to work together.

The groups decided to wait until the legislation has passed to determine the true impact on the budgets. Another meeting will then be scheduled to discuss all options.

The meeting was adjourned at 4:50 pm. The next regular Cresco City Council meeting will be May 1, 2023, at 5:30 pm at Cresco City Hall.
