On Friday November 24 around 2:00pm my water pressure dropped. I checked in my house, around the outside of my house and couldn't find an issue, I called neighbors to see if they had issues and they did not. The water pressure stayed low. Saturday at about 1:00 pm my son noticed that the water line in the garage were wide open and there was over 1" of water in my garage in. None of the water went down the sewer and I broomed it into the alley. I called Drew Zahasky and he witnessed this. I called city hall on Monday November 27th and Drew had talked with someone already. Hoping this will work as my letter to city council.

Q: Describe the project. Provide details of the project and the budget, other fundraising efforts, and the who, what, where, why and how of the project.

A: The Cresco Area Chamber of Commerce provides marketing support for local volunteers, non-profit organizations and projects. This support is over and above our scope of work. Based on our annual project tracking, we have provided over 7,000 copies of print materials, including brochures, tickets, maps, programs, applications, and posters. Our staff has provided over 1,000 in-kind hours helping create marketing materials aimed to promote the city of Cresco. Organizations we assist include the American Legion Post 135, American Legion Riders Post 135, VFW Post 4561, Cresco Community Theatre, Cresco Country Club, Cresco Theatre & Opera House, Cresco Fine Arts Council, Cresco Open Air Market (Farmers Market), Cresco Wildlife Club, Cruise to Cresco, Driftrunners Snowmobile Club, Freedom Rock, Howard County Farm Bureau, Howard-Winn CSD, Iowa Wrestling Hall of Fame, Norman Borlaug Heritage Foundation, Prairie Springs Recreational Trail, Quilts of Valor, Turkey River Pheasants Forever and the much anticipated Santa Letters left in our mailbox.

Q: How does this project promote Cresco tourism and how does it increase lodging use within the community?

A: The Cresco Chamber plays a crucial role in bringing people to Cresco to stay in our hotels, Bed & Breakfast, and Airbnbs. We develop marketing materials, website development, and social media marketing to promote these organizations, their events and the City of Cresco. Many of the volunteers we work with do not have the skills to market their own organization or the City of Cresco. They rely on the Chamber. It is our in-kind work with these non-profits and their volunteers that provides a strong partnership to promote Cresco throughout the year.

Q: Describe the project. Provide details of the project and the budget, other fundraising efforts, and the who, what, where, why and how of the project.

A: This January, the Driftrunners Snowmobile Club will be hosting the 53rd annual Snowfest. This year's event will continue to celebrate the heritage and history of snowmobiling in the Cresco area with many of the same events and activities that were held over the last few years of Snowfest. These events are planned to drive both snowmobilers and non-snowmobilers to visit Cresco and explore what the town all has to offer outside of just being a snowmobiling friendly community. These events are geared to be held with and without snow and are pushed for community member participation along with snowmobile enthusiasts in the surrounding area. Some of the events we are doing include: bingo Saturday afternoon, vintage snowmobile show and ride Saturday morning, boy scout breakfast, trail rides, chili cook-off, jigsaw puzzle competition, torchlight parade, and Saturday night band. These activities have been a hit for the last few years bringing in attendees which are both snowmobilers and local non-snowmobilers. We are doing events for charity again which include the poker run for Spina Bifida and HoCa. This year the Driftrunners Snowmobile Club is asking for \$3,750 to cover advertising efforts and smaller expense items related to Snowfest, and to promote our trail system in Howard and Winneshiek counties throughout the winter season. We plan to groom the trails multiple times over the week of Snowfest and that alone costs us around \$1,000 in fuel just for that time span. For advertisements we plan to spend around \$4,000 in a wide portfolio of products outside the Cresco area on: radio, magazine, and social media. We have put together an ad plan with the Iowa Snowmobiler magazine and will have a full-page ad and 2-page map centerfold for the December and January issues and full-page articles with photos from the Cresco area trails. This will cost the club around \$1,500. The Iowa Snowmobiler Magazine goes out to all snowmobilers in the state of Iowa. We are working on radio ads that will broadcast out of Decorah, La Crosse, Mason City, Waterloo, and Dubuque locations. With the radio ads, we are working to cover different music genres to ensure we get to a large variety of people covered. We will also continue to advertise in local Cresco outlets to ensure Cresco residents

know what all is going on. We are also planning a full push on social media including Facebook with different advertisements running the month of January. As said in the past, if this grant is not awarded, we will still have Snowfest but the impact will be seen on hotel visits being reduced and lower turnout of people for events. We would like to thank you for the support we have received in the past and hope everyone can make it to Snowfest in January.

Q: How does this project promote Cresco tourism and how does it increase lodging use within the community?

A: The Driftrunners Snowmobile Club is a non-profit club that was established in 1968 and has a long history of snowmobiling and helping to bring people to Northeast Iowa. Each year we contribute to different charities including: Spina Bifida Association of Iowa, HoCa in Howard County, Iowa State Snowmobile Scholarship Foundation, Crestwood Dollars for Scholars, and Toy Drives in Cresco. Over the last 7 years, the Driftrunners have maintained being the largest club in the state of Iowa. The 2024 Snowfest will take place from January 25th through 28th. Each year we expect 500 people to show up on average and if we have a large amount of snow, we have seen that number rise to 900 people over the extended 4-day weekend. The Driftrunners have events throughout the year, but most of the events are focused around the winter season, where tourism is usually low for the area. Our 2 main events during the winter season are Snowfest and Charlie's Chili Feed. While both events draw in outside visitors, there are numerous times throughout the winter season on weekends and weekdays outside visitors with trailers and snowmobiles will be seen parked at the hotels in town and at the fairgrounds. We take pride to maintain easy trail access all winter season for visitors to get on and off the trails right next to the hotels and gas stations as well in the fairgrounds for parking. This helps so they do not have to try and figure out how to get on and off the trails and potentially trespass onto property. With this close access to businesses, this shows a positive attribute of the Driftrunners and brings people again and again to our town that normally would ride outside our area. The Driftrunners also work with numerous businesses throughout the year to promote their products and services. We have club rides that start at different businesses in town which promotes them as being sponsors to our club. We continue to drive our visibility on social media where we promote not only Cresco area, but all Northeast Iowa for snowmobiling. We also work to maintain access to adjoining snowmobile club trails for people to ride from Decorah, New Hampton, Charles City, Preston, and Harmony. That alone connects to other trails and allows multiple avenues to ride snowmobile to Cresco.
